RELATED EXPERIENCE

DECEMBER 2017 - JULY 2020

MICROSOFT

ALCHEMY DESIGN TEAM / C+AI STUDIOS

VISUAL DESIGNER → UI DESIGNER → PRODUCT DESIGNER

- Collaborated with product teams, content writers, and engineering to produce and launch the marketing websites for Microsoft Power Platform
- Worked closely with engineering teams to develop an internal design system and library in Figma
- Assisted the C+AI team in swag design and takeaways
- Brainstormed marketing strategies and web brand development for Power BI, Power Apps, Power Automate and Dynamics 365
- Helped kickstart User Groups for Power Platform Communities, which included researching, prototyping, and wireframing.

AUGUST 2012 - OCTOBER 2017

206AGENCY (NOW AMP AGENCY)

DESIGNER

- Art directed consumer engagement programs
- Collaborated with account teams to visualize pitch ideas
- Collaborated with 3D designers providing graphics for renderings
- Assisted in laying out Powerpoint presentations and infographics
- Produced banner ads and print media based on provided brand guidelines
- Expanded brand systems based on minimal existing assets
- Worked with videographers to produce motion graphics
- Created brand systems from concepting to execution
- Assisted web developers with asset production and site maintenance

With 206Agency, I've worked with a wide range of brands such as; Coca-Cola, Chase, Costco, Safeway, Walmart, Microsoft, Amazon, Delta Dental, Levi's, Southwest Airlines, Seattle Foundation and City of Seattle.

OCTOBER 2011 - DECEMBER 2011

DUMB EYES (NOW CIVILIZATION)

SOCIAL MEDIA INTERN

- Organized and managed Dumb Eyes' social networks including Facebook, Tumblr, Twitter, and LinkedIn
- Promoted events through social media and promotional materials.
- Helped pack and ship collateral for I WANT YOU Magazine
- Helped organize and assemble collateral for Dumb Eyes' promotional events
- Created digital documents under the supervision and advice of their sole graphic designer
